

### AIR HANDLING & COMFORT SYSTEMS

Preconfigured DOAS air handling solutions

Custom DX & humidity control AHUs

Standard & custom gas fired air handling

Custom gas fired & energy recovery air handling

Heating, ventilation & evaporative cooling products

A higher standard in custom air handling

Electric duct heaters & controls

Energy efficient infrared heaters & gas fired unit heaters

Semi-Custom AHU's

Variable refrigerant flow (VRF) and single split heat pumps

### AIR DISTRIBUTION & CONTROL

Grilles, Registers, Diffusers, Terminal Units & Fan Coils

High performance architectural diffusers

Engineered fabric ducting

Louvres & dampers

ULC listed damper and air control products

Wall boxes, lint traps & custom metal accessories

Control dampers & Fire dampers

### FANS & VENTILATORS

Commerical & industrial fans

EnergyStar ceiling & inline fans

Industrial Large HVLS Fans

Plastic & SS fans for highly corrosive environments
